

## Morris Minor Owners Club Ex-Police Register Survey

What services would you like the Register to offer? We are presently concentrating on researching all Minors that were used by any Police Force, and this work is funded from our own pockets. The register can exist as a simple list of all known relevant vehicles, just appearing at the occasional rally, or it can become more active: perhaps newsletters, a banner for the rally stand, trading of relevant ex-Police equipment, some leisure ware – any suggestions are welcome. If we follow that route, then there could be a requirement to charge a small subscription; and some additional volunteers would be welcome. We would like to receive your thoughts on how the Register should develop, and how you can help, so please complete and return this short survey. Thank you.
